

"Networking for the New Year"

Supplier Diversity Fair

This was Creospan's second year attending NIU's annual Supplier Diversity Networking Fair this passed October. This event provided a networking opportunity for both businesses and university personal. Multiple business enterprise vendors exhibited products and services to offer the university. This year NIU had guest speakers and awards to open the event. The Supplier Diversity Networking Fair provided a great opportunity to meet directly with many buyer commodities, suppliers, and services. Creospan made an impression with our mobile technology in the crowd of vendors along with students, and faculty of NIU. This year NIU student organizations were invited to attend along with faculty to learn more about what the different vendors had to offer their school. Creospan will be remembered because of our mobile technology platform Mozync.

Business Opportunity Fair

Creospan had the opportunity to travel to New Orleans to attend a Business Opportunity Fair that was hosted by NMSDC Regional Council. Certified minority owned businesses, like Creospan were given the opportunity to present their products and services to potential corporate purchasing executives from multiple corporations, government agencies, universities, hospitals and other buying institutions. Because of this opportunity we were able to put a face to our corporate name Creospan. Companies had a chance to discover who and what Creospan has to offer.

Project Management Workshop

December 2nd at Creospan is hosting a Project Management Workshop with Jayesh Shah. Jayesh has been working as a certified Project Manager and Program Manager, with hands-on experience in network management. He also carries other related certificates such as: MCSE, MCP, CCNA, CCDA Cisco Infrastructure Deployments (LAN/WAN). An invitation with the workshop details has been sent out. Interested attendees please **R.S.P.V. by Friday November 20th to Jessica at 847-598-1093 or jessica@creospan.com**.

Administaff Open Enrolment

Open enrolment is from Dec. 1-Dec 31st. During this annual open enrollment time you can: Add coverage for yourself (if you have previously waived coverage and are eligible for benefits), Change your coverage option election, Add or drop dependents, or Drop coverage altogether for yourself and all covered dependents.

Annual Holiday Party

This year our annual holiday party will be held at Fox and Hound Smokehouse Tavern Friday, December, 4th at 7:00pm. Join us for free food drinks and getting to know your fellow employees. An invitation has been sent though email with additional details. **Please R.S.V.P by November 20th to Jessica at 847-598-1093 or jessica@creospan.com**.

This Months Employee Spotlight Q&A

Nicole Neuenschwander
Accounting Specialist

If you could have any gift what would it be?

I would like to be able to speak, read, write, and understand all language. I think being able to communicate with everyone would allow

me to help anyone who needs it.

What is one memorable place you have been to? Switzerland, the country is divided between German, French and Italian speaking areas and I've been all over. The country as a whole is so beautiful and clean.

How would one of your friends or family members describe you to someone who has never met you? I think the people who know me best would describe me as someone who is caring and who is not afraid to go the extra mile to help the people I care about.

What would you do if you were God for a day? Before anything I would sit down with the religious leaders of the world and have a talk, and then I would just spend time with the rest of the world.
